Louise Barnum Lavoie

Atkinson Historian

Talk about your volunteers! This very charming lady has been around a long, LONG time. She began her volunteer career in 1972 as a member of the Town's Recreation Commission, where she was active in obtaining the federal funding to help create Woodlock Park. From there, she moved over to an elected seat on the Budget Committee, where she spent twelve years straightening out the town's budgeting and accounting processes, and patiently explaining it to others. As a member of that committee she was instrumental in convincing the town to computerize their budget. A picture of this lady gained much attention when it appeared in the Haverhill Gazette during one budget season. It featured, from the ankle down, a stocking-footed Budget Committee chairwoman, hard at work.

She also spent three years in the Selectmen's hot-seat, and was very involved in the planning and construction phases of the new Town Hall. When her Selectmen years were finished, she volunteered to serve on the Cable Television Committee, and she's still there! This is the lady who does the Bulletin Board, who directs the live broadcasting and tapes many of the other programs seen on Channel 20. As a member of the Building Needs Committee, she's been working very hard on the Rockwell reconstruction, and she's been active in other areas as well, such as transportation and trash.

After twenty-two years of volunteer service, we believe this lady must have earned something, and it is with great pride and much affection that we dedicate the 1993 Annual Report to Barbara Snicer.

STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the inhabitants of the Town of Atkinson in the County of Rockingham in said State, qualified to vote in Town Affairs -

You are hereby notified to meet at the Atkinson Town Hall on Tuesday the eighth day of March next at 10:00 o'clock in the forenoon, to act upon the articles required to be voted on by official ballot. By vote of the Selectmen the polls for the meeting will remain open from 10:00 o'clock in the forenoon until 8:00 o'clock in the evening.

All voters are further notified to meet at 1:00 o'clock in the afternoon on Saturday, the twelfth day of March next, at the Dyke Auditorium of the Atkinson Academy to act on all other articles in this warrant.

ARTICLE 1. To choose all necessary Town Officers for the coming year.

ARTICLE 2. "Are you in favor of the adoption of Amendment No. 1 to the Zoning Map, as proposed by the Atkinson Planning Board?"

This amendment provides commercial expansion on the east side of Main Street (Route 121) from the Plaistow/Atkinson line to Robie Lane at a distance of 300' depth from the easterly side of Main Street.

ARTICLE 3. "Are you in favor of the adoption of Amendment No. 2 to the Zoning Ordinance as proposed by the Atkinson Planning Board?"

This amendment will delete section 400:6 to coincide with state statutes.

ARTICLE 4. "Are you in favor of the adoption of Amendment No. 3 to the Building Code as proposed by the Atkinson Planning Board?"

This amendment deletes Section 620:10a (1) to eliminate a conflict with the town ordinance relative to rural residential cluster development sprinklering requirements.

ARTICLE 5. "Are you in favor of the adoption of Amendment No. 4 to the Zoning Ordinance as proposed by the Atkinson Planning Board?"

This amendment to Section 460 coincides with state law sign regulation. It amends Section 460:3 to grant authority to the Building Inspector to issue sign permits that conform to the Zoning Ordinance rather than the Planning Board; amends Section 460:6g to change the text to more clearly define preferred sign construction materials; amends Section 460:6h to clarify the regulation of sign colors; deletes Section 460:6k since it is the intent to grant administrative authority to the Building Inspector for sign permits; amends Section 460:9 to replace the existing text due to vagueness and in place allows one identification sign per business for commercial areas; and amends Section 460:12 to replace the existing text and regulate existing signs in conformance with State law.

ARTICLE 6. To raise such sums of money as may be necessary to defray the town charges during the ensuing year and make appropriations for same.

ARTICLE 7. To see if the Town will vote to raise and appropriate up to the sum of Twenty Seven Thousand Four Hundred Five Dollars (\$27,405.00) to reclaim and resurface the first 1,350 feet of Belknap Drive, starting from the Brookside Terrace intersection, to a width of 24 feet. All work will be performed under the supervision of the Road Agent.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

ARTICLE 8. To see if the Town will vote to raise and appropriate up to the sum of Three Hundred Thousand Dollars (\$300,000.00) to reclaim and resurface 5,800 feet of Providence Hill Road, from the intersection of North Broadway westerly to 51 Providence Hill Road.

**\$158,500.00 Recommended by the Budget Committee
Recommended by the Board of Selectmen**

ARTICLE 9. Submitted by Petition of David Holigan, etal. "To see if the Town will vote to confirm the classification of the following roads as Class V Town Roads:

Boylan Terrace
Chase Island Road
Hemlock Heights Road
Hemlock Shore Drive
King's Grove Road
Palmer Road
Watgen Road"

Not Recommended by the Board of Selectmen

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of Sixty Thousand Dollars (\$60,000.00) to be added to the Fire Department Capital Reserve Fund established for the purpose of acquiring fire equipment and vehicles as determined by the Board of Engineers' schedule of replacement.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

ARTICLE 11. To see if the Town will vote to appropriate up to the sum of Seventy Thousand Dollars (\$70,000.00) to purchase a Combination Forestry/Rescue/Mini-Pump Truck to replace Forestry No. 1, such funds to come from the Fire Department's Capital Reserve Fund, established for the purpose of acquiring fire equipment vehicles as determined by the Board of Engineers' schedule of replacement.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

ARTICLE 12. To see if the Town will vote to sell, by sale or bid, the 1961 truck known as Forestry No. 1.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

ARTICLE 13. To see if the Town will vote to sell, by sale or bid, the 1989 Ford Police Cruiser known as 51.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

ARTICLE 14. To see if the Town will vote to raise and appropriate up to the sum of Six Thousand Two Hundred and Seventy Dollars (\$6,270.00) to purchase the following equipment for the Police Department:

1. Two 486 DX Computers (w/Software and tape backup installed on one)
2. Laser printer for computers
3. Two Word Processors (PC compatible)
4. One standard typewriter
5. One FAX machine
6. One TV/VCR (19 or 25 inch TV and 4-head VCR)

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

ARTICLE 15. To see if the Town will vote to raise and appropriate up to the sum of Eight Thousand Dollars (\$8,000.00) for two 11 foot highway plow packages.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

ARTICLE 16. To see if the Town will vote to renew the Atkinson Historical Society's five-year occupancy of the Parson Peabody House (Kimball House) and barn where it now maintains the Kimball Museum.

Recommended by the Board of Selectmen

ARTICLE 17. To see if the Town will vote to raise and appropriate up to the sum of Two Thousand Dollars (\$2,000.00) to install 228 feet of vinyl-covered fence with two 12 foot vinyl covered gates at the southern boundary line of the New Cemetery to comply with the State of New Hampshire RSA 289:6.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

ARTICLE 18. To see if the town will vote to raise and appropriate the sum of Seven Thousand Five Hundred Dollars (\$7,500.00) to reconstruct the roadway on the westerly side of the Kimball House leading from Academy Avenue into the New Cemetery and connecting to the Kimball Library Parking Lot.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

ARTICLE 19. To see if the Town will vote to amend the Cemetery Rules and Regulations as follows:

No. 14. The care of shrubs and perennial plants already in place on any lot which does not have Perpetual Care coverage shall be the responsibility of the owner, heirs or assigns of that lot. No plants or shrubs shall be planted at the corner points of any lot. All shrubs and plants shall be planted well within the boundaries of individual lots of all sizes. Perpetual Care coverage shall be mandatory if shrubs or plants are to be planted on any lot. The amount of that coverage must provide adequate interest income for their care.

No. 15. Perennial plants and shrubs shall not exceed a maximum height of three and one half feet of breadth or ten and one half feet at the base.

Recommended by the Board of Selectmen

ARTICLE 20. To see if the Town will vote to accept the following Perpetual Care Funds: \$400.00 from John & Roseann McCarthy on Lot 84 in Section III of the Old Cemetery; \$100.00 from P. DuMont Roe on the Justus Peaslee Lots 36/18 in the Lower Level of the Old Cemetery; \$100.00 each on the John S.C. Kelly, Edmund F. McNeil, and Warren M. Merrick lots in the Upper Level of the Old Cemetery; \$100.00 on the Walter F. Noyes Lot, No. 67 in the Lower Level of the Old Cemetery, donated by the Atkinson Historical Society, given for Memorial Day plants only.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

ARTICLE 21. To see if the Town will vote to adopt the following ordinance:

“It shall be unlawful for any person to be found in either of the town’s cemeteries, which are known as the Old and New Cemeteries, unless their presence in said cemeteries is for the sole purpose of visiting a grave site.

It is further ordered that both the old and new cemeteries will be closed to the public between the hours of 9 p.m. and 6 a.m. seven days per week.

Violations of this town ordinance shall be punishable by fine of not more than \$100.00 for the first offense and \$200.00 for each and every subsequent offense.

It will be the responsibility of the town’s Police Department to enforce and prosecute any and all violations of this ordinance.”

Recommended by the Board of Selectmen

ARTICLE 22. To see if the Town will vote to appropriate Twenty One Thousand Dollars (\$21,000.00) to the Capital Reserve Fund established to develop and equip a facility for the Atkinson Community Television, such monies to come from the revenue given to the Town by Harron Cablevision per the Franchise Agreement.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

ARTICLE 23. To see if the Town will authorize the use of the former Police Station for Atkinson Community Television.

Recommended by the Board of Selectmen

ARTICLE 24. To see if the Town will vote to raise and appropriate up to the sum of Six Thousand Five Hundred Dollars (\$6,500.00) to purchase a voting machine for the town.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

ARTICLE 25. To see if the Town will vote to raise and appropriate up to the sum of Six Thousand Five Hundred Dollars (\$6,500.00) to resurface and stripe the Town Hall Parking lot.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

ARTICLE 26. To see if the Town will vote to raise and appropriate up to the sum of Eight Thousand Five Hundred Dollars (\$8,500.00) to replace the heating system in the Town Hall.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of Eight Hundred Eighty Nine Dollars (\$889.00) for the Special Needs Program of the Town of Salem, New Hampshire serving Atkinson’s special needs residents.

**Recommended by the Budget Committee
Recommended by the Board of Selectmen**

ARTICLE 28. To see if the Town will vote to raise and appropriate up to the sum of One Thousand Dollars (\$1,000.00) for the support of Aids Response of the Seacoast.

Recommended by the Budget Committee
Recommended by the Board of Selectmen

ARTICLE 29. To see if the Town will vote to raise and appropriate up to the sum of Nine Thousand Five Hundred Dollars (\$9,500.00) to enable the Town to conduct a Hazardous Waste Collection in the town.

Recommended by the Budget Committee
Recommended by the Board of Selectmen

ARTICLE 30. To see if the Town will vote to raise and appropriate up to the sum of Five Thousand Dollars (\$5,000.00) to research sites and for engineering costs for the relocation of the Town Garage.

Recommended by the Budget Committee
Recommended by the Board of Selectmen

ARTICLE 31. To see if the Town will vote to accept approximately 1.3 acres of land, to be donated by Warren Stickney representing the heirs of Ruth Stickney, known as Map 20 Parcel 23 and Map 20 Parcel 31 and to extend to Mr. Stickney the town's appreciation of this gift.

Recommended by the Board of Selectmen

ARTICLE 32. To see if the Town will vote to eliminate the inventory form in accordance with the provisions of 74:4-a.

Not Recommended by the Board of Selectmen

ARTICLE 33. To see if the Town will vote to accept penalty assessments as provided in New Hampshire RSA 466:31 regarding dogs.

Recommended by the Budget Committee
Recommended by the Board of Selectmen

ARTICLE 34. Shall the Town accept the provision of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year?

Recommended by the Board of Selectmen

ARTICLE 35. Shall the Town accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Kimball Library Trustees to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other governmental unit or a private source which becomes available during the fiscal year?

Recommended by the Board of Selectmen

ARTICLE 36. Shall the Town accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes?

Recommended by the Board of Selectmen

ARTICLE 37. To see if the Town will vote to authorize indefinitely, until specific rescission of such authority, the Selectmen to transfer lax liens and convey tax title property by deed as they deem appropriate pursuant to RSA 80:42.

Recommended by the Board of Selectmen

ARTICLE 38. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen pursuant to RSA 33:7 and 33:7A or otherwise, to hire such sums of money as the Town will need in anticipation of taxes.

Recommended by the Board of Selectmen

ARTICLE 39. To hear reports of the Town officers and committees and act upon same and transact any other business that may legally come before the meeting.

Given under our hands this twenty-first day of February, 1994.

BOARD OF SELECTMEN

Annual Report

Robert
Morse Jr.

Joseph
DeRosa

Charles
George Jr.

After last year's report of doom and gloom, we are pleased to say things look much brighter this year. Home values appear to have stopped their free fall, and have stabilized; our tax collector advises that 92 percent of the 1994 bills have been paid, and that is an exceptional figure for any town. Foreclosures still occur, but the rate has slowed significantly. Our budget committee has been diligently striving to keep the proposed budget increases to a minimum. There is, however, a difference between the budget figures proposed by the Budget Committee and those which are finalized by the voters. Once we've done our job, the onus of fiscal responsibility falls directly in the lap of Town Meeting. Please review the proposed warrant articles; and please attend your Town Meeting.

The Rockwell Building renovations are well underway. Look for the Police Chief to host an Open House to celebrate his department's relocation in late March or early April. The fate of the old Police Station will be determined by a vote of Town Meeting this year on the request of the Cable Television Committee to move to that facility. (For now, the cable equipment is housed in two closets in Town Hall.)

There is activity in the Planning Board, which tells us that there is building going on, or soon will be. There's also been an increase in the number of monthly housing sales.

In 1993, the Selectmen looked towards review of the Capital Improvement Plan. At one round table meeting, each department head presented his "wish" list for capital improvements over the next five years. This combined list provided insight as to the needs, as seen by the department heads, and a startling vision of the collective expenditures. It will now be our responsibility to prioritize those needs, and determine the best way to move forward without substantial impact on the tax-payers.

We planned for the preparation of a town government newsletter, the first issue of which was distributed in January to every living unit. Early response has been encouragingly positive, and we look forward to future editions.

As usual, we'd like to thank all our department heads for their outstanding contributions during the past year, and the many, many volunteers who help in so many ways.

Respectfully submitted,

Joseph DeRosa,
Chairman

BUILDING INSPECTOR

Annual Report

In 1993, Construction was up! Single Family homes, remodeling and additions were all up this year. Condominiums showed continued success in Atkinson, with eight more permits issued from 1992.

Remodeling of the Atkinson Police Station is under full swing and will be a great improvement for the Town.

Thanks to the residents of Atkinson and the contractors who worked cooperatively with the Inspectors to bring the permit process to a speedy completion.

I would also like to thank Shirley Galvin and all the Inspectors and Code Enforcement Officers in the Building Department for a successful and productive year.

Through the joint efforts of the Rockingham Planning Commission, Planning Board, Selectmen and all the Inspectors, we have adopted the 1993 BOCA National Building, Electrical, Plumbing, Mechanical and Basic/National Fire Prevention Code. Adopting the latest National Codes ensures that work performed for the townspeople must be done to the latest and most updated building regulations.

In 1993, 197 Permits ** were issued, that is up from 155 permits last year and the breakdown is as follows:

Type	Number of Permits
New Homes.....	18
Foundations.....	21
Condominiums (48 units).....	52
Garages.....	6
Additions.....	13
Remodeling.....	60
Decks.....	7
Sheds.....	4
Pools.....	12
Commercial.....	3
Demolition.....	1
Totals Permits	197

** List of 1993 Building Permits are available in the Code Enforcement Office for public review.

Total Value
\$9,198,882.00

Respectfully submitted,

Robert Jones,
Building Inspector

The Atkinson Inspectors

Chuck Early
Fire Inspector

Dave Weymouth
Asst Fire Inspector

Ron Caswell
Asst Bldg Inspector

Robert Jones
Building Inspector

Joe Chamberlain

Philip Busby
Asst Health Officer

James Miller
Electrical Inspector

Bill Ashford
Plbg & Gas Inspector

Philip Paglierani
Asst Elect Inspector

BUILDING NEEDS COMMITTEE

Annual Report

The Building Needs Committee has been very active during 1993. The project on which we've spent most of our time and effort is the conversion of the former Rockwell School into the new Police Station. Voters at Town Meeting approved the funds for the land/building swap with Timberlane School District and the money to renovate the school into a functional, state-of-the-art Police Station. The project has proceeded through the design, bid, contract letting phases, into actual construction. An early spring move into the new facility is planned.

The Committee has also been trying to formulate a relocation plan for the Town Garage, which was part of the land transfer.

Continued work with the Maintenance Supervisor, with an awareness of needs of all the town buildings continues to be paramount in the function of our group. We are very fortunate with the members of this committee and their generous donation of time, particularly on the Police Station Project.

Respectfully submitted,

Virginia A. Busby,
Chairman

CABLE ADVISORY BOARD

Annual Report

Phyllis
Tingley

Mike
Turell

Barbara
Snicer

The Atkinson Community Television station (ACTV-20) is now in its fifth year of operation. During this time, we have attempted to enable the cable subscribers of Atkinson to keep abreast of happenings in both the Town and the School District by televising meetings of the Board of Selectmen, Budget Committee, Planning Board, as well as Town Meeting and Timberlane School District Meeting. In addition, we try to record and replay special events such as Memorial Day, the Timberlane Graduation, Atkinson Days, the Fire Department Turkey Raffle, the Christmas Tree Lighting and the Lion's Spelling Bee. Every time we go "on the air", it requires from as few as three to as many as ten people to cover the event. This becomes quite a commitment of volunteer time, and frequently things cannot be broadcast due to insufficient help.

Atkinson Town departments have all been most cooperative in these efforts, and we all continue to benefit from joint ventures with both Plaistow and Timberlane Educational Network.

ACTV-20 hopes to expand its ability to cover even more activities, but this will require additional volunteers. The more people we have, "burn-out" will become less of a problem. This is a team effort, the tasks are easy to learn and you can choose your special area of interest to cover ... perhaps even some we're not yet doing!

Atkinson Community Television is supervised by the Board of Selectmen and the Atkinson Cable Advisory Board. This Board is responsible for resolution of service problems, budgeting, franchise renegotiation, as well as keeping up on the legislative actions regarding the Cable Act of 1992 (which is still not resolved yet!) This Board meets monthly, and it too is in need of additional members who are interested in administration, rather than the production aspects.

We look forward to keeping you better informed through 1994, and hope you will consider joining us. If you're interest, please call the Selectmen's Office at 362-5266. They'll let us know right away!

Respectfully submitted,

Michael Turell,
Producer

BOARD OF CEMETERY TRUSTEES

Annual Report

Since the Board's last report in 1991, much has been accomplished to improve conditions in both cemeteries, thanks to you, the taxpayers, who have given your support to it's yearly budgets and to the warrant articles it has submitted.

Through the written cooperation of numerous gravesite owners, many overgrown shrubs have been removed, giving the New Cemetery, especially, an appreciated new appearance.

The roadway reconstruction in both cemeteries over the past two years has been a great improvement. No longer does one have to worry about losing one's muffler or tailpipe, and no longer are there sink holes!

Since the complete removal of ten trees, plus five other stumps, the cleaning of eighty-eight monuments by Jonathan Shikes and his group of Boy Scouts, and the loaming and seeding of so many areas, the upper level of the Old Cemetery has become a more attractive place to visit or just drive through.

There is still work to be done, such as this year's warrant article for the completion of the roadway project - the reconstruction of the roadway leading from Academy Avenue into the New Cemetery and to the Kimball Library Parking lot.

The Board members are always ready to answer your concerns if at all possible, and to fulfill its obligations as Trustees. The Board really needs your continued cooperation and support to make the cemeteries ones to be proud of.

Thank you.

Cemetery Trustees

CONSERVATION COMMISSION

Annual Report

Left to Right: Scott Kukshtel, Chris Lewis,
Carole Hall, Debby Byers, Doug Henderson

The commission would like to express its appreciation to Deb Byers for her long term membership on the Conservation Commission. She has been a member since 1981 and has served as chairperson since 1987. The commission and the town have been well served by Deb's commitment and dedication to public service.

In September the commission elected Chris Lewis to serve as chairperson to complete this year's term of office.

During the spring Chet Ladd conducted several site walks of town conservation lands.

In April for Arbor Day, commission members Deb Byers, Chris Lewis, and Martin Feuer gave away tree seedlings to town residents. The commission also sponsored a scholarship with Timberlane Regional High School for a student to attend the Forest Society Conservation Camp.

During the year the commission worked with other town boards when questions arose concerning wetlands and conservation land use issues regarding local and state regulations. The commission members conducted several site walks when dredge and fill applications were filed. They met with the applicants and their engineers and forwarded reports to the state on each application. Members also responded to several individual landowner request about conservation issues.

The commission members reviewed and updated the Town Forest Management Plan in place since 1989. This process involved meeting with C. Marino, the consulting forester. Members then walked many of the conservation parcels designated as town forest to familiarize themselves with the parcels in the plan and to further coordinate the logging cycles with the thinning needs of all the areas and to evaluate the time-frames of each proposed cut with the forestry needs. Members involved in this lengthy process were Chet Ladd, Martin Feuer, Doug Henderson, Rick Schafer and Chris Lewis.

In November Carole Hall represented the commission at the annual New Hampshire Association of Conservation Commissions meeting where she attended several workshops and spoke to the entire group about her role on the New Hampshire Wetlands Board representing the conservation commissions throughout the state.

Respectfully submitted,

Carole Hall,
Secretary

FIRE DEPARTMENT

Annual Report

BR Left to Right: Robert La Chance - Dep Chief, Scott Sullivan - Lt, John Rockwell - Capt, Mike Murphy - Chief. FR Left to Right: Stephen Wooster - Lt, Kevin Landry - Lt, Donna La Chance - EMS Capt.

The membership of the Fire Department has worked very hard in training and has accumulated over 7,200 man hours in 1993. They have responded to many rescue and fire related calls. They continue to train and work diligently to achieve the high standard of professionalism that has become the norm for the Atkinson Fire Department.

In 1993 we arranged for a mass casualty drill around a simulated airplane crash, involving many local communities and area hospitals. The drill was very successful. We continue to train in all aspects of fire and rescue situations.

The Inspectors, (the fire prevention personnel) Chuck Earley and Dave Weymouth, have been doing an excellent job. There has been a steady decline in fire related calls, out there this year. We continue to ask the Townspeople for their support in advancing our personnel in the prevention and control of fire. The introduction of sprinkler systems, along with the already proven safety monitoring devices, continue to keep our residents and fire personnel safe, and should keep our operating budget in line for many years.

In closing I would like to thank the Residents for your continued support. The Department also appreciates your letters of appreciation and thanks. I would also like to personally thank the Volunteers of the Atkinson Fire Department for their many hours given to the Town for the protection of life and property.

Respectfully submitted,

Michael E. Murphy, Chief
Atkinson Fire Department

SOUTHEASTERN NEW HAMPSHIRE HAZARDOUS MATERIALS DISTRICT

Annual Report

The Southeastern New Hampshire Hazardous Materials Mutual Aid District was formally established in October of 1992. The original district included the towns of Londonderry, Derry, Windham, East Derry, Pelham, Hudson, Chester, Atkinson, and Hampstead. Since the formation of the district, the town of Litchfield has been accepted as a member.

The purpose of the district is to prepare our communities, on a regional basis, for a response to hazardous materials incidents, both with training and equipment. The cost for a single community to fund a separate hazardous materials response program is prohibitive. If you will remember, the gasoline tanker incident in Londonderry on Route 93 in January of 1991 strained the resources of the entire area, and highlighted the need for a regional approach to hazardous materials incidents. Member communities also realized the liability exposure they each faced if they used a piecemeal approach for dealing with hazardous materials.

The District management organization consists of a Board of Directors; members of which are Selectmen, Councilmen, or Administrators from each community; and an Operations Committee, members of which are chief officers from each community.

Each member community contributes \$3,500.00 per year to the district to fund training and equipment purchases. During the 1993 - 94 fiscal year, two trailers are being purchased, which will be strategically located, stocked with petroleum spill equipment and will be able to respond anywhere within the district. The District has also acquired a rescue truck from a member community; monitoring equipment, and the training for the equipment, will also be provided to member communities this fiscal year. In addition, the District has substantially completed the minimum training mandated by federal law for emergency responders to hazardous materials incidents. It is the policy of the District to develop a deliberate, thorough, approach to the hazardous materials problem. Meeting all federally mandated training levels, and providing our firefighters with the proper equipment to do the job.

Since hazardous materials incidents are typically the most costly ones which we respond to, a cornerstone of our policy is the most effective method of recovering the costs which local communities incur as a result of our responses to hazardous materials incidents. If you remember, each member community passed a hazardous materials ordinance, the purpose of which is to aid in recovering taxpayers money spent in controlling the incident.

The District has been accepted as a regional Local Emergency Planning Committee, which is required to be in place in each community by Federal Superfund law. This aids those communities that do not have their own LEPC.

The District has applied for and received a federal planning grant. It is our intention to apply for all available federal and state aid to offset the cost to the local taxpayer.

The District is also developing policies and procedures to standardize how our fire departments respond to hazardous materials incidents.

A great deal of planning, training, and equipment purchasing has been accomplished, and a lot still needs to be done; but we are well on our way to meeting our original goal, that is, the most cost effective manner of responding to hazardous materials incidents.

Respectfully Submitted,

For the Board of Directors

Mr. Patrick Wallace,
Selectmen, Town of Windham
Chair, Board of Directors

For the Operations Committee

Chief Alan J. Sypek,
Londonderry Fire Department
Chair, Operations Committee

HIGHWAY DEPARTMENT

Annual Report

1993 was challenging year for the Highway Department.

The winter season was one of the most intense in years, with 16 workable storms. I am very proud of the fact the the winter budget was still \$50,000.00 smaller than the 1990 winter budget.

Town Meeting was interesting as usual. Two out of three road articles presented had passed. These were Knightland Road and Hawthorne Drive. My budget passed as well. I am very grateful for the townspeople support.

For 1994, I will be presenting three articles. The first will be to purchase two new snow plows; and the second will be to reconstruct 1,300 feet of Belknap Drive, which had been tabled in 1993.

The third article is for Providence Hill Road. Providence Hill Road is our most costly road to maintain and is one of our most travelled roads. It requires almost constant patching. Some of the drainage concerns have already been addressed through shoulder cutting and tree removal. Additional concerns will be addressed through this year's budget. The third article itself will address the road structure; including grinding both layers of hot top; adding a structural membrane and six inches of processed material with three inches of fresh hot top. This should give the Town a road we can all be proud of.

Please come to Town Meeting this March and continue to support your Highway Department.

Respectfully submitted,

Edward A. Stewart,
Road Agent

HISTORICAL SOCIETY

Five Year Report

This report will update the Society's efforts through the years 1989 through 1993.

The members of the Society extend their appreciation to the voters of Atkinson for allowing them to occupy the Parson Peabody House (Kimball House) for these last eighteen years, the last five as its only occupants. We also thank residents for their support in all it's other endeavors.

As a non-profit, incorporated organization, working strictly as guardian of Atkinson history, the membership has found many duties to keep it busy. The Museum rooms are open to the public on Wednesdays from 2:00 to 4:00 pm; during it's meeting evenings, it's Sunday afternoon meetings; and, by appointment, for individuals or groups, such as the school children, who visit regularly each school year.

The Society organized a fund-raiser in 1989 for the purchase of the granite World War II Honor Roll, now standing beside the one honoring the World War I Veterans. It has also funded the restoration of the 1892 Hearse House and the moving and restoration of the 1828 Hearse House, now standing in the Old cemetery. Two granite headstones; one for George Parson Dow, Atkinson's only Medal of Honor recipient, and the other for Benjamin Richards, one of the first three settlers of Atkinson, have been donated by the membership. Both gravesites are located in the Old Cemetery.

The group has donated \$1,000.00 in Perpetual Care monies for the annual purchase of a Memorial Day plant for the gravesites of four soldiers killed in action. (Civil War and World War I).

As part of the Society's role as "non-profit" it has donated to the Cancer Fund, V.N.A. Hospice, the Kimball Public Library and the Congregational Church.

While you, the voters, have improved the exterior of the building, Historical Society members have been at work on the inside. The first floor rooms and one on the second floor have been completely "redone"; new shades, curtains and drapes have been installed at all windows; and three rooms upstairs have rugs on the floors.

Our present projects include (1) an iron gate at the entrance to the Old Cemetery; (2) the restoration of the charcoal copy of Polly Peabody's picture and (3) the installation of new shelving in the "research" (office) room after the painting and wallpapering have been completed. These three projects are being accomplished through the efforts of the yard sale committee, members, and the generosity of residents and non-residents, resulting in the income realized from this once a year fund-raiser.

At the 1994 Town Meeting, the Atkinson Historical Society requests your support of it's article asking for continued occupancy of the Kimball House for another five year period.

Thank you.

Una M. Collins,
President

KIMBALL PUBLIC LIBRARY

Annual Report

Circulation in 1992 increased over 1991 by 7,816 items and continued to increase throughout 1993. The Library Director and staff continue to very capably service the library's clients.

The Kimball Friends of the Library gave strong moral and financial support, as always. Their purchases in 1993 include: new shelving for reference material, Facts on File, a news digest on CD-ROM which includes a weekly update and "Who was Who?", a VCR and a CD player/radio. They also buy one yearly pass to the Boston Children's Museum.

The agenda for the year included: completion of the ADA checklist, providing handicapped access, putting policies in order, evaluating the Library Director and moving to finalize the five year plan. Regarding the five year plan, it was noted that we need to more than double the library space in order to adequately meet the town's needs.

The new copy machine, which cost less than expected, was installed in mid-summer and is now virtually self-supporting. A new server was purchased and installed in the fall. Museum passes were renewed to the Museum of Fine Arts, Museum of Science and Children's Museum: all in Boston. The library sponsored trip to the Boston Museum of Fine Arts in June was a huge success. The trip to the same museum in December also included a visit to the Isabella Stewart Gardner Museum. There was a library sponsored program, followed by refreshments, held at the Community Center in October, that featured Norm Gauthier, who spoke on Haunted Houses.

Trustees in 1993 included: Don Blaszk, Chairman; Jane G. Jones, Treasurer; Linda Jette; Sally Dowd, Corresponding Secretary; and Sib Barratt, Recording Secretary.

Respectfully submitted,

Sabina A. Barratt, Secretary
Board of Trustees

PLAISTOW AREA TRANSIT ADVISORY COMMITTEE

Annual Report

PATAC (Plaistow Area Transit Advisory Committee) was formed with volunteers from NH towns that neighbor Plaistow. The initial goal of PATAC was to bring commuter rail service to Plaistow by extending the existing Haverhill train 3 or so miles to Plaistow. Although PATAC now has much broader goals, it continues to be made up of volunteers and does not receive any funding or dues from any local, state, or federal agencies. Our sole source of funding is through our annual "Christmas Tour of Boston" fund raiser.

Plans started in 1991 to develop an intermodal Park and Ride facility in Plaistow are now well under way and the long-sought goal may finally become a reality in 1995. The site for the Park and Ride lot in Plaistow has been selected; it will be on Westville Road between Scandia Plastics and Freedom Tire. A true intermodal facility, the Park and Ride lot will ultimately let commuters transfer easily between different modes of transportation. In Plaistow's case the modes will be bus, car, train, and possibly a few pedestrians or cyclists.

The Rockingham County Planning Commission, with help from PATAC, brought the necessary parties together that allowed the COACH Company to apply for, and receive, CMAQ (Congestion Mitigation Air Quality) funding. This funding will establish a commuter bus to Boston starting in Epping, NH and continuing south on Rt. 125 to Kingston and Plaistow where it will continue non-stop to Boston. The Plaistow stop will be the Park and Ride location on Westville Rd. In fact the Park and Ride lot will 1st be used as a bus stop before it becomes a true Park and Ride lot. When commuter rail service is established, the bus riders will then transfer from the bus to the train for an even speedier commute to Boston.

The NH Department of Transportation will develop the Westville Road site to enhance it from just a bus stop to a Park and Ride lot to a Park and Ride lot with a commuter rail station similar to the one that exists at the Bradford Station. PATAC, the Plaistow Planning Board, and the Plaistow Board of Selectmen will all have a great deal of input for the State DOT as plans progress for the Park and Ride.

PATAC will continue to work towards its goal of bringing intermodal transportation to all surrounding communities. We wish to thank the voters and residents for their continuing support.

Respectfully Submitted,

Timothy E. Moore,
PATAC Chairman, Plaistow

PLANNING BOARD

Annual Report

The Planning Board spent a good deal of time reviewing plans that came as a result of our change in zoning, allowing soil base lot size for low to moderate income housing in clusters.

The first project was on Providence Hill Road and divided up thirty-four acres into twenty-five individual lots with a Town road to provide access. The project is now being built as Providence Hill Farms. The second project is located on West Side Drive, near the Salem town line, and is being developed as multi-family units served by a private road. The development is on twenty acres and will have a total of thirty-seven units. The project has not been started at this time, and is known as Brookside Hollow. We feel at the Planning Board that both of these projects were a result of sensitivity to the current low economy, and our diligence to provide for low to moderate housing in Atkinson.

The Planning Board dealt with a number of lot consolidations, single lot subdivisions of land, and lot line changes. These are usually for local developers or home owners seeking to clarify their land holding.

A major task of 1993 was the hiring of a new Town Engineer. The Board advertised in local papers and trade magazines. The response was very good and interviews were conducted with twelve engineers and their companies. The Town Engineer selected was Rivers Engineering Corp. of Manchester, NH. The President is George A. Rief, P. E. and the field engineer is Steve Pike. Rivers Engineering has reviewed all subdivision and commercial site plans this year, and has been very helpful. Rivers has also done construction inspections and various other projects for the Town. We hope the Town will have a long and beneficial relationship with this engineering company.

The Town is a member of Rockingham County Planning which is a full time planning commission. This is very helpful to Atkinson, which has a part time Planning Board. Rockingham County Planning is very helpful in our zoning changes, subdivision regulations, site plan review, and general every day questions. Some of their help this past year has been on site regulations, legal notices, rewrite of ordinances, and sign regulations.

For the upcoming year the Planning Board is looking into reorganizing our Zoning Book and index clarification, in order to make the Zoning Book more user friendly.

It is my hope in 1994 that the Board will spend time on capital improvement planning, such as: roads, and types of development, and some commercial areas.

I would like to thank our Administrative Assistant and all of the volunteer members of the Planning Board for their time. I hope the Town of Atkinson can continue to prosper with its many good volunteers.

Sincerely,

Philip A. Busby,
Chairman

POLICE DEPARTMENT

Annual Report

I am pleased to say that for the second year in a row, things have been relatively quiet.

House breaks were down by 41%, Outside thefts were up by 26% and Vandalism was down slightly from 1992.

I am very grateful for the support the Fire Department and Police Department received at last years Town Meeting, for allowing us to move from the Sheriffs' Department to the Plaistow Police Department for our after-hour dispatch services. It has worked out even better than I had expected it would. Our dispatch center at the police station is open Monday through Friday from 8:00 am until 4:00 pm.

It has been very rewarding for the police department to have been able to help out so many of our senior citizens in 1993. Since taking over as Director of Elderly Affairs, we have provided many new programs, and assisted in picking up prescriptions, providing trips to the doctors and shoveling of stairs after major snow storms.

During the fall we sponsored a Senior Citizens Forum that was well received with over 100 residents showing up. A VCR film of that forum is available at the library.

Mrs. Barbara Stewart had done a super job in providing day trips for our senior citizens, I have been told those trips were excellent.

Due to the low crime rate, we were able to provide a multitude of different services that are not generally provided by a police department.

Our basic goal is to provide assistance to all Atkinson residents whenever we were asked to do so. If we cannot personally handle your problem, we will find the appropriate agency to help you.

I would publicly like to thank my wife, JoAnne, for putting together a surprise party, celebrating my "25 years" as a Police Officer in the Town of Atkinson, she is not only a good wife but also a good cop.

I am in town 24 hours a day, 7 days a week, and as in the past I will also continue in the future to always make myself available to any Atkinson resident. This can be accomplished by just calling the police station at 362-5536, or at my residence at 362-5627.

All members of the police department are dedicated in providing the residents of Atkinson the most efficient and most professional police service possible.

Please drive defensively, love and respect thy neighbor, and make 1994 a safe, memorable, and enjoyable year.

Respectfully submitted,

Philip V. Consentino,
Chief of Police

RECYCLING COMMITTEE

Annual Report

The Atkinson Recycling Program is now in its third year and continues to grow - in additional recycling hours and in services. The new hours on Wednesday afternoons have proven to be very popular. During the summer the Center was open every Saturday to meet the growing needs of the residents. New services include limited types of plastics: Nos. 1 & 2, which include plastic water and milk containers as well as non-refundable plastic soda bottles.

The "redeemable" program continues to be successful as more people donate their "redeemables" to the Town.

The success of our recycling program is due largely to the people who recycle and its dedicated supporters. Among them are: The Board of Selectmen, both past and present; Women's Garden Club; Civic Club; Cub Scouts; Girl Scouts; Lion's Club members; Knights of Columbus; The Recycling Committee's Board of Directors; and sixty-five Volunteers who contribute their hours regardless of weather conditions. A heart-felt THANK YOU to you all!

We are going to miss Terry Black and Barbara Carey, who are no longer with us. Terry, an original organizer and founder of the program has moved out of state. We will miss her for her leadership skills that have made the program what it is today. Barbara Carey, a board member, has also moved. Her contributions in public relations and information research to keep us up-to-date will be sorely missed.

Yes, Atkinson will have a Hazardous Waste Day - if the Warrant Article is passed. Further information will be distributed to each household as to the guidelines that must be followed to make this program a safe one.

To conclude this report, it is a must to thank the Laidlaw Waste Management Corp. for all of their assistance and conferences they have held with us. They have alerted us to new markets that have opened and have assisted us in getting our recycling items to those markets.

Lastly, all the residents who recycle are to be proud of what has been accomplished; we need more people to recycle to make the program even more outstanding, and make the Town (and the Earth) a cleaner and healthier place.

Respectfully submitted,

Vincent Marchand,
Chairman

ZONING BOARD OF ADJUSTMENT

Annual Report

During 1993, the Zoning Board of Adjustment met 9 times and held 28 Public Hearings (plus continuances).

These hearings were concerned with requests for the following:

1. Variances to the Atkinson Zoning Ordinance (6)
2. Special Exceptions allowed by the Atkinson Zoning Ordinance (16)
3. Administrative Appeal (1)
4. Rehearing requests (2)

This year's hearing results were as follows:

Purpose of Hearing	Granted	Denied	Withdrawn
Variances to: Sideline	1		1
Frontage	1		
Permitted Use		1	
Wetlands	4		
Special Exceptions: Non-Conforming/Expansion	16		1
Home Business	1		
Year Round Occupancy	1		
Administrative Appeal	1		
Rehearings	2		

Records of all public hearings and decisions are maintained in the Zoning Board of Adjustment Office and available for public review.

Respectfully submitted,

Charles LeMay,
Chairman

MASON + RICH
PROFESSIONAL ASSOCIATION

Two Capital Plaza
Suite 3-1
Concord, New Hampshire 03301

April 14, 1993

Selectmen
Town of Atkinson
Atkinson, New Hampshire 03811

In planning and performing our audit of the financial statements of the Town of Atkinson, New Hampshire for the year ended December 31, 1992, we considered the Town's internal control structure to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on the internal control structure.

During our audit we did not become aware of any matters that were opportunities for strengthening internal controls and operating efficiency. This letter does not affect our report dated April 14, 1993 on the financial statements of the Town of Atkinson, New Hampshire.

Respectfully submitted,

MASON & RICH PROFESSIONAL ASSOCIATION
Accountants and Auditors
